OUR DISTILLERY

The Cotswolds Distillery is set in 5 acres of beautiful Warwickshire countryside and housed in a traditional Cotswolds stone building.

We think it's the most beautiful in England, and mirrors the Outstanding Natural Beauty that surrounds us here in the Cotswolds. Our goal is to make world-class artisanal spirits in small batches using the best possible ingredients, many of which are sourced locally.

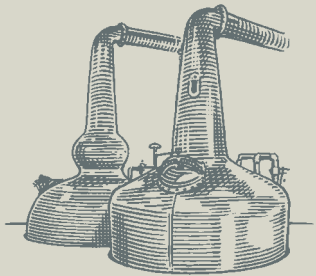

Local, organically grown barley from only miles away is hand-malted using traditional methods before being mashed, fermented and distilled to create our flagship single malt whisky.

In addition to our whisky we produce a range of small-batch gins, brandies and other spirits using top quality botanicals inspired by the rich natural heritage around us.

COTSWOLDS SINGLE MALT

Our whisky is crafted using a traditional grain to glass approach. Our barley is grown, hand-malted, mashed, fermented and distilled right here in the Cotswolds. Our tailor-made Scottish copper pot stills produce several barrels of our beautiful malt every day.

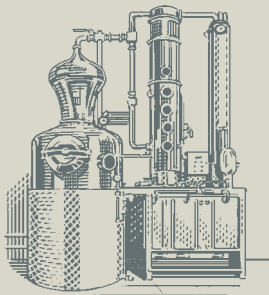

Our whisky will be unpeated and will emphasise the rich agricultural terroir of the Cotswolds. We are using only the finest bourbon, sherry and wine casks to mature our whisky and after a long rest in the perfect conditions of our Victorian ageing warehouses in Liverpool it will be brought back to our distillery, to be bottled on site.

Available to pre-order now from our online shop.

COTSWOLDS DRY GIN

We also produce a range of small batch gins, brandies and other spirits. Our flagship Cotswolds Dry Gin, the first to be distilled right here in the Cotswolds, is unique and perfectly balanced. It is a traditional juniper-led London dry style gin with a Cotswolds twist, and has outscored several of the world's most popular dry gins in blind taste tests.

Cotswolds Dry Gin is only one of many unique craft gin offerings which will include seasonal and aged gins, as well as hand-crafted exclusives available to buy in our distillery shop. You can even fill and label your own bottle!

“Our idyllic farm in the North Cotswolds is the perfect location to create our range of Outstanding Natural Spirits, using the finest local ingredients and artisanal small-batch production techniques.”

SHOP, TOURS & TASTINGS

The Cotswolds is full of rich history, stunning scenery, charming old towns, great hotels and dining. Everything but a working distillery - until now.

We have designed our distillery with visitors in mind and are offering tours and tasting packages at our site nestled in the beautiful North Cotswold countryside. We welcome visitors to enjoy our peaceful rural setting whilst learning about our unique processes and indulging in a tasting of our spirits.

You can buy our bottles online or at our distillery shop, or even fill your own Cotswolds cask.

OPEN HOURS & VISITORS

We're ideally situated in the rural village of Stourton, between the historic towns of Oxford and Stratford-upon-Avon.

Only 80 miles from London and 50 miles from Birmingham, we're close to both road (M40) and rail links (Banbury from either London Marylebone or Birmingham or Moreton-in-Marsh from London Paddington).

Come and see the closest full-scale distillery to London and the prettiest (we think) in all of England. We offer tours daily at 1pm, followed by a tasting of our products.

Tours must be reserved in advance; for more information or to pre-book, please call +44(0)1608 238 533 or email info@cotswoldsdistillery.com.
