SLEEP

With stylish furnishings and luxurious amenities our rooms are suitable for business or leisure travellers. Rooms have en-suite bathrooms with either shower or bath facilities. It's about attention to detail and the best little extras such as a pillow menu, our own Park Spa amenity range and super comfy beds. We know you will enjoy a relaxing evening in our rooms.

DINE

Anything *but* your typical airport hotel restaurant, award winning Te Maroro Restaurant serves breakfast, lunch and dinner daily. Whether on business, with family or friends, there's a menu to suit; from a-la-carte dining, all day, in-room service, kid's menu, or just enjoy a coffee and dessert. We've also selected a great range of New Zealand wines to compliment our menus.

RELAX

Indaba Lounge Bar overlooks our tepid pool and patio area and a lovely garden where you can relax and unwind. Indaba is an African word that means a gathering of people and our lounge-bar is the perfect place for this to occur. Try something from the snack menu, one of our great cocktails, or choose from our selection of New Zealand wines and craft beers.
