

Places of Local Interest

Bakewell

Ancient capital of the Peak. Bakewell is an old market town situated on the banks of the River Wye. Famous for its puddings and Cattle market.

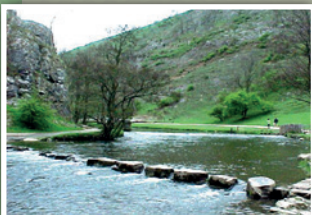

Chatsworth House & Gardens

Palace of the Peak set in stunning parkland this beautiful stately home with its fine collection of art, furniture and sculptures.

Monsal Dale

Beautiful valley with the famous view of the viaduct from Monsal Head.

Dovedale

Famous for its stepping stones across the River Dove in this beautiful limestone valley.

Derwent Valley

Its most significant features are the Derwent Dams, Ladybower, Derwent and Howden. The dams were used as a practice environment for the Lancaster bombers.

Open all year round for caravans & motor homes with a new heated toilet & shower block.

Main season: March - October

Booking: Advance booking is advisable

Location: The turning for Beech Croft Farm Caravan Park is on the A6 midway between Buxton and Bakewell and next to the B6049. The park is signposted on the A6.

*A beautiful location in
the heart of Derbyshire*

Welcome to Beech Croft Farm

Beech croft farm is a small quiet family run caravan & camping park located between Buxton & Bakewell in the beautiful Peak District. It is an ideal base to explore Derbyshire.

John, Julie & Jodie warmly welcome you to their park which they run alongside their small sheep farm.

The park opened in 1977 and is beautifully situated in a sheltered meadow facing the sun with views of the stunning Derbyshire hills for you to enjoy.

A family run park in the heart of the beautiful Peak District

In 2011 extensive renovation work at the park included a new environmentally friendly heated toilet & shower block, increasing the size of our hard standings all with 16amp hookups, water taps and TV aerial sockets.

We also increased the camping area into an adjoining field providing prepayment card 10amp electric hook ups for anyone that wants to use them.

The shop, which is located nearby, sells basic provisions, soft drinks, ices etc. We also sell Calor and Camping Gaz.

FREE Wi-fi is also available.

Site Facilities

- 30 level hard standings for touring and motor caravans, all with 16amp electric hook-up, water tap and TV Aerial Socket providing a digital signal. Rock pegs are recommended for awnings, available at the site shop.
