## Eastleigh Lakeside Railway

The 10 $\frac{1}{4}$ " & 7 $\frac{1}{4}$ " dual gauge miniature railway runs from its main station, Eastleigh Parkway to Monks Brook Halt and then back to Eastleigh Parkway. Trains are usually steam hauled.\* The journey of just under 1 $\frac{1}{4}$  miles takes about 15-20 minutes. Monks Brook Halt gives an opportunity to visit the lakes, children's playground or use the adjacent picnic tables. Our souvenir shop stocks the full range of Thomas and Bigjigs models.

\*except for the last trains of the day

Eastleigh Lakeside Railway has 24 Locomotives in its collection. We believe this is the largest collection of Miniature Locomotives on a commercial railway in the UK. 21 are steam and most of them are in steam on gala days.
