2017 CALENDAR

OUR MISSION STATEMENT:

“CREATING AN INTEGRATED, INSPIRING SPACE FOR DIFFERENTLY ABLED CHILDREN WHERE THEY ARE EMBRACED AND EMPOWERED TO REALIZE THEIR FULL POTENTIAL THROUGH THERAPEUTIC INTERACTIONS.”

BACKGROUND

Healing with Horses was created in 2010 as a non-profit organization realized from a dream by its Founder and Director, Veronika Danzer-LaFortune. With one horse rescued from the rain forest and a heart filled with love and hope, Ms. Danzer-LaFortune and her husband Lennon created a place for children (from different backgrounds and nationalities and with varied physical and mental abilities) to come together and enjoy therapy and creative play.

After six extremely successful summer camps, we continue to expand our after school sessions to provide maximal opportunities for the differently abled population of Tobago. We offer our services to various schools and organizations to attend free of charge. Our weekly sessions include therapeutic play in our Magical Playground, music, drumming, nature walks, gardening, arts and crafts and the exceptional experience of Being with Horses.

Our healthy herd of 8 horses and 2 ponies (most of them rescued or donated), gives the children a way to experience a strong sense of bonding and affection, along with the physical benefits of strengthening and improved balance from horseback riding. Each child is offered the opportunity to ride, groom, feed and commune with these gentle animals.

The children are guided by teachers and volunteers and encouraged to be creative and expressive, enjoying the outdoors, surrounded by nature and the sea. While enjoying these unique sessions, the children gain new insight, improve self-esteem, realize unknown talent and share this joy with their friends as they come together to discover the Love and Magic of Healing with Horses.
