## Oxfordshire's most magical day out.

Children will love FairyTale Farm - a sensory and learning wonderland for all the family. With our exciting adventure playground, an enchanted walk with a surprise around every corner and a chance to meet our amazing animals, there is so much to see and do. And we have added some new attractions for 2016.

FairyTale Farm is the UK's first visitor attraction to put disabled children first in our design and layout - but we are loved by children (and adults) of all abilities.
