The Sustainability Centre 2017

The Sustainability Centre is ideally situated in the Hampshire South Downs National Park, right on the South Downs National Trail. It is a great place to base yourself for walking, cycling and exploring the cultural heritage of one of the UK's most dramatic and inspirational landscapes. Our accommodation includes an Eco-lodge with comfortable beds, a relaxing lounge and modern kitchen and a campsite including camping in yurts or tipis.

Wetherdown Lodge:

At the Sustainability Centre we have an **Eco-Lodge** which has 14 bedrooms and can accommodate up to 38 people. Most rooms have 3 beds (a bunk bed and single bed) and a couple of rooms have two single beds.

Exclusive use booking of the lodge is £840 per night plus £100 refundable deposit (if booking over 3 months in advance a 25% deposit can be paid to secure the booking). This includes bed linen, towel and a "help yourself" breakfast of cereal, fresh fruit, juice, toast, jam and hot drinks.

Lodge Facilities: There are 3 showers and toilets upstairs and the same downstairs. The lounge and dining area are relaxing and all your self-catering meals can be prepared in a newly fitted kitchen. If you prefer, evening meals and packed lunches can be pre-ordered from the Beech Café Tues-Sun: 01730 823755, info@beechcafe@gmail.com.

Camping pitches can cater for 58 people, plus 14 extra people in yurts.

Campsite Facilities: A solar powered shower block provides hot water for 3 showers, 2 sinks and 1 wash basin. Our 2 composting toilets are timber built structures, eco-friendly and rather odourless. We have a clay pizza oven, BBQ's and fire bowls available to use on first-come first served basis.
