TRAVEL AGENCY

Dear Guest,

The extensive tour packages and itineraries that we offer in this brochure are the culmination of a journey which started in 1989 with the opening of Anzac House in Canakkale.

We soon realised the need for a local travel agency to work in conjunction with Anzac House and in 1990 Hassle Free Travel Agency was born. In 1991 we drew up and launched our now world famous Hassle Free daily tours to and from Istanbul and Selcuk.

Over the years we have, through experience and the suggestions from our clients, expanded our Hassle Free tour packages to cater for the needs of all travellers. Through this we have become a household name and the travel agency of choice when visiting the Gallipoli battlefields during the year or over the ANZAC Day period or when visiting the ancient city of Troy or any of the other amazing sites that Turkey has to offer.

We pride ourselves on always having the friendliest and most informed staff to assist you, highly qualified tour guides that are experts in their fields to guide you, the best and cleanest accommodation to stay in and safety conscious drivers to transport you.

Since our launch we have catered for more than a hundred thousand guests and we still abide by our original philosophy of No Hassles! No Worries!

My team and I will be honoured to be your host while visiting our amazing and unique country and we will strive to make your visit a memorable and unforgettable experience.
