IX THE CHESTER RESIDENCE

Welcome to The Chester Residence

The Chester Residence is an award-winning collection of 23 luxurious, 5-star townhouse apartments in Edinburgh's stylish West End. Each apartment is an oasis of tranquillity and provides spacious, individually designed accommodation – all within walking distance of the city centre and its wide range of attractions. Combined with our personalised service and attention to detail, we ensure that each guest has a truly memorable stay with us.

The Owner's Residence

For the ultimate in luxury, choose our stunning Owner's Residence which boasts bespoke designer furnishings by Louis Vuitton and Armani Casa, iridescent textured wallpaper throughout, and low mood lighting which creates a decadent, sensual atmosphere. Features include a huge Jacuzzi hot tub and separate rain shower, a private cinema (including games, a six foot screen, Sky HD, PlayStation, Blu-ray and surround sound), two 50 inch LCD TVs, and a floating effect super king bed with sumptuous bed linen.

A Scottish flavour

All apartments include sets of Ian Rankin's Edinburgh-based crime novels and J.K Rowling's Harry Potter series, and feature work by Scottish artists such as Jonathan Hood and Anthony Scullion. Speyside sparkling and still water cools in each fridge.

The little extras

In-house spa treatments, private car and chauffeur service, and personal Cocktail Masterclasses are all available on request. There is an in-house laundry to take care of guests' wardrobes, and straighteners are available from reception – perfect for that girly getaway. Guests can choose their own Nespresso experience, with specialist teas, coffees and biscuits provided. Apartments are also 'baby-friendly' and toys are available for guests with children.
