Welcome to Eiffel, if you know us...
you already know why we have been
here for the last 50 years, but
if it is the first time that you visit us,
let us tell you that you are not in a posh
restaurant or in the best one in Madrid.

We are a modest restaurant,
serving tradicional and homemade food,
with a familiar approach to our customers...

This is why we won the 2015-2016 Tripadvisor

now amongst the best valued restaurants....

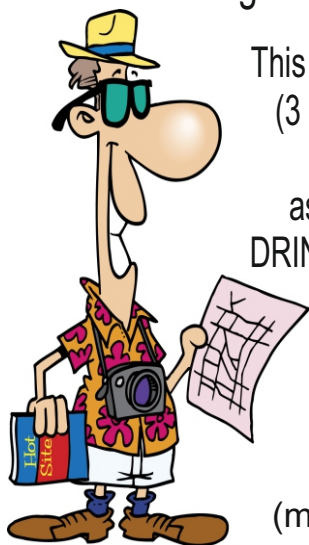

Because in Eiffel we do not have clients,
we have friends, and this is our secret.

Eiffel it's like Paris or Madrid, it is
impossible to see everything in one visit,
so we have prepared a special tasting menu

Enjoy your visit
