

Yellowstone is America's first national park spanning 2.2 million acres, over 3,000 square miles, and encompassing 3 states. Let Yellowstone Guidelines help you navigate this wild wonderland.

Your wishes are very important to us. Yellowstone Guidelines can design a custom package to assure a unique and carefree personal adventure.

YELLOWSTONE & WILDLIFE TOURS

All trips are custom and cater for your desire and exploration. You tell us what you want to see on your Yellowstone experience. There are a variety of options like, hike to a waterfall, look for wildlife or checkout some of the 10,000 thermal features that Yellowstone has to offer. All tours include transportation, use of viewing scope, binoculars, and deli style lunch.

BACKPACKING ADVENTURES

Yellowstone National Park has over 1,000 miles of trails that explore the heart of this wild area. Backpacking is by far the best way to see Yellowstone.

Yellowstone Guidelines offers a variety of backpacking options from multi-day expert treks to the beginners first time in the backcountry. All trips include an experienced backcountry guide, transportation logistics, meals, gear, and bear spray. We can provide discounts for those whom are bringing their own gear and are just looking for a guide and some assistance in the backcountry. Some of our favorites routes include:

- ▶ **Bechler River Trail**
- ▶ **The Black Canyon of the Yellowstone**
- ▶ **Pebble Creek & the Northern Range**
- ▶ **Gallatin Mountains**
