SAFE, FRIENDLY, PROFESSIONAL PILOT & CREW

Floating Images Hot Air Balloon Flights is an Australian small family business. It is operated by two very energetic and motivated Queenslanders – Graeme and Ruth Day, who offer a professional, personalised and friendly boutique ballooning service with a smile for their clients. You'll be in very safe hands, as you fly with the owner & CASA approved chief pilot Graeme Day. Graeme learnt to fly balloons in France, has flown over the Mount Blanc & the Alps and has over 26 years experience on 3 continents. A French journalist described Graeme as ***"An Australian who is raring to go, with an infectious smile revealing his love of an adventurous life"***. We are the first & only balloon operator based in the Ipswich, Somerset & western side of the Scenic Rim region for over 16 years. Graeme has an intimate knowledge of the region's weather, geography & history.
