OUR GUIDED WALKS

Stretch your legs and feed your soul with a privately guided half day or full day walk into Mt Aspiring National Park, an area of the Te Wāhipounamu World Heritage Site.

Whether you are a keen hiker or prefer more of a gentle stroll, we can arrange a walk that suits you. Our experienced local guide will walk at your pace and stop as many times as you require, only going as far as you want!

Some of our popular options:

Routeburn Track - Full Day Walk

Regarded as a 'Great Walk', this well formed track forms part of an old Maori route from the West Coast to collect greenstone (pounamu), and passes through towering ancient beech forests and fields of moss and ferns.

Lake Rere - Full Day Walk

This circular route takes you up the Greenstone Valley to the peaceful Lake Rere. Enjoy a picnic lunch on the shores of the lake and take photos of the mirror reflections or simply listen to the bellbirds sing.

Lake Sylvan Track - Half Day Walk

Great for families, this well defined track leads through tall red beech forest to the picturesque perched alpine lake, home to brown trout and numerous small native fish. The forest is rich in birdlife.

Invincible Mine Track - Half Day Walk

This is an uphill walk to a terrace giving you spectacular views looking down the valley towards Glenorchy and Kinloch, and across the valley to Mt Earnslaw. Miners built this track in the 1880s to access the quartz gold reef high on the hill.

“Thanks so much Alan for a fabulous trip today. You definitely made a very special end to what has been a fantastic visit to NZ. We will be back.”
