

# Dartmoor & Tavistock's Premier Holiday Park

Set within Dartmoor National Park, just 2 miles from the historic market town of Tavistock, Harford Bridge Park is a 4 Star award-winning Holiday Park. With easy access to the Tamar Valley Area of Outstanding Natural Beauty, Tavistock is the gateway to the Cornwall & West Devon Mining World Heritage site.

## Camping & Touring

With the River Tavy forming one boundary, the Park offers level, spacious pitches by the river, electric hook-up pitches and unserviced pitches set in parkland and in small copse areas. The Park also offers hardstanding pitches, fully serviced pitches and a small number of seasonal pitches.

## Holiday Accommodation

We offer a range of self-catering accommodation that is open all year round. To sleep 2 people, our Studio Lodges and bespoke Shepherd's Hut are very popular. Our luxury caravans and lodges and fully renovated farm cottage can sleep up to 6.

## An ideal base to enjoy and explore Dartmoor, West Devon and the Tamar Valley AONB

Swimming, golf, and horse riding are nearby and, for the adventurous, there is tree surfing, off-road biking, white water kayaking and canoeing in the Tamar Valley. Plymouth, the 'Ocean City', is 15 miles to the south. Surf beaches to the north and pleasure beaches to the south are less than an hour's drive away.

## Launch pad for holiday activities

Harford Bridge Park is VisitEngland graded for Walkers and Cyclists. For dog owners we have a dedicated dog walking area and hot water wash. We are adjacent to Devon Cycle Route 27 and have a purpose built cycle hub. We also offer a range of park facilities, including a tennis court, children's play area, games area and information & TV room.

## How to Find Us

Leave the M5 from Bristol at Junction 31 (after Exeter). Take the A30 and leave this at the next junction beyond Okehampton onto the A386. We are 10 miles from this point - you will see the Harford Bridge Park sign on the A386 at the turning left to Peter Tavy.

*Easy to find!*

From Plymouth follow the A386 through Tavistock heading towards Okehampton. After two miles, turn right for Peter Tavy, and you will see the park entrance on the right-hand side.
