Where Learning Comes Naturally

Learn, Explore, Get Away, Connect

PEEC offers a world of opportunities for year-round exploration of the natural world. We are the largest residential environmental education center in the Eastern U.S. For nearly 50 years, PEEC has been the education partner of the National Park Service in the Delaware Water Gap National Recreation Area and serves over 25,000 visitors annually.

As an independent 501(c)(3) non-profit organization, PEEC is funded through user fees, donations, corporate support, grants, and membership.

PEEC is located at:

538 Emery Road, Dingmans Ferry, PA 18328

Mission: To advance environmental education, sustainable living, and appreciation for nature through hands-on experience in a national park.
