

No.1 ASKED QUESTION

WHICH DIRECTION IS THE BEST TO CYCLE THE TRAIL?

There is no right, wrong, easier or tougher direction to cycle the Otago Central Rail Trail. We have depots at both Clyde and Middlemarch and cater for clients cycling in either direction.

WE SUGGEST:

- Choosing the direction that best suits you and your travel plans
- You cycle the Trail over 5 days
- Being well-prepared for all weather conditions
- Carrying plenty of water and snacks.

EXCLUSIVE GUARANTEE

OUR EXCLUSIVE CYCLE SURGERY ON TRAIL GUARANTEE:

Ensuring everything is perfect for your Rail Trail experience. We guarantee that should you have any mechanical problems with your hire bike we will replace it with a new bike.

TAKE A TRAIL TESTER ONE DAY - RAIL TRAIL EXPERIENCE

Cycle one of the most popular and scenic parts of the Rail Trail. You will be fitted onto your custom built hire bike at Cycle Surgery Middlemarch before being transported to Daisybank.

Cycle 38km through the spectacular Upper Taieri Gorge and Strath Taieri plains back to Middlemarch.

\$79/PERSON

Includes bike hire & transport.
Bookings essential

A LITTLE BIT ABOUT US

Cycle Surgery is owned and operated by Pip Thomson. Pip is a born and bred Middlemarch girl.

She grew up on her family farm - Gladbrook Station (established 1872) - a sheep and beef property which in its hey day encompassed much of the Strath Taieri valley.

Before the Rail Trail, Pip was a school teacher, avid horse rider and helped farm Gladbrook.

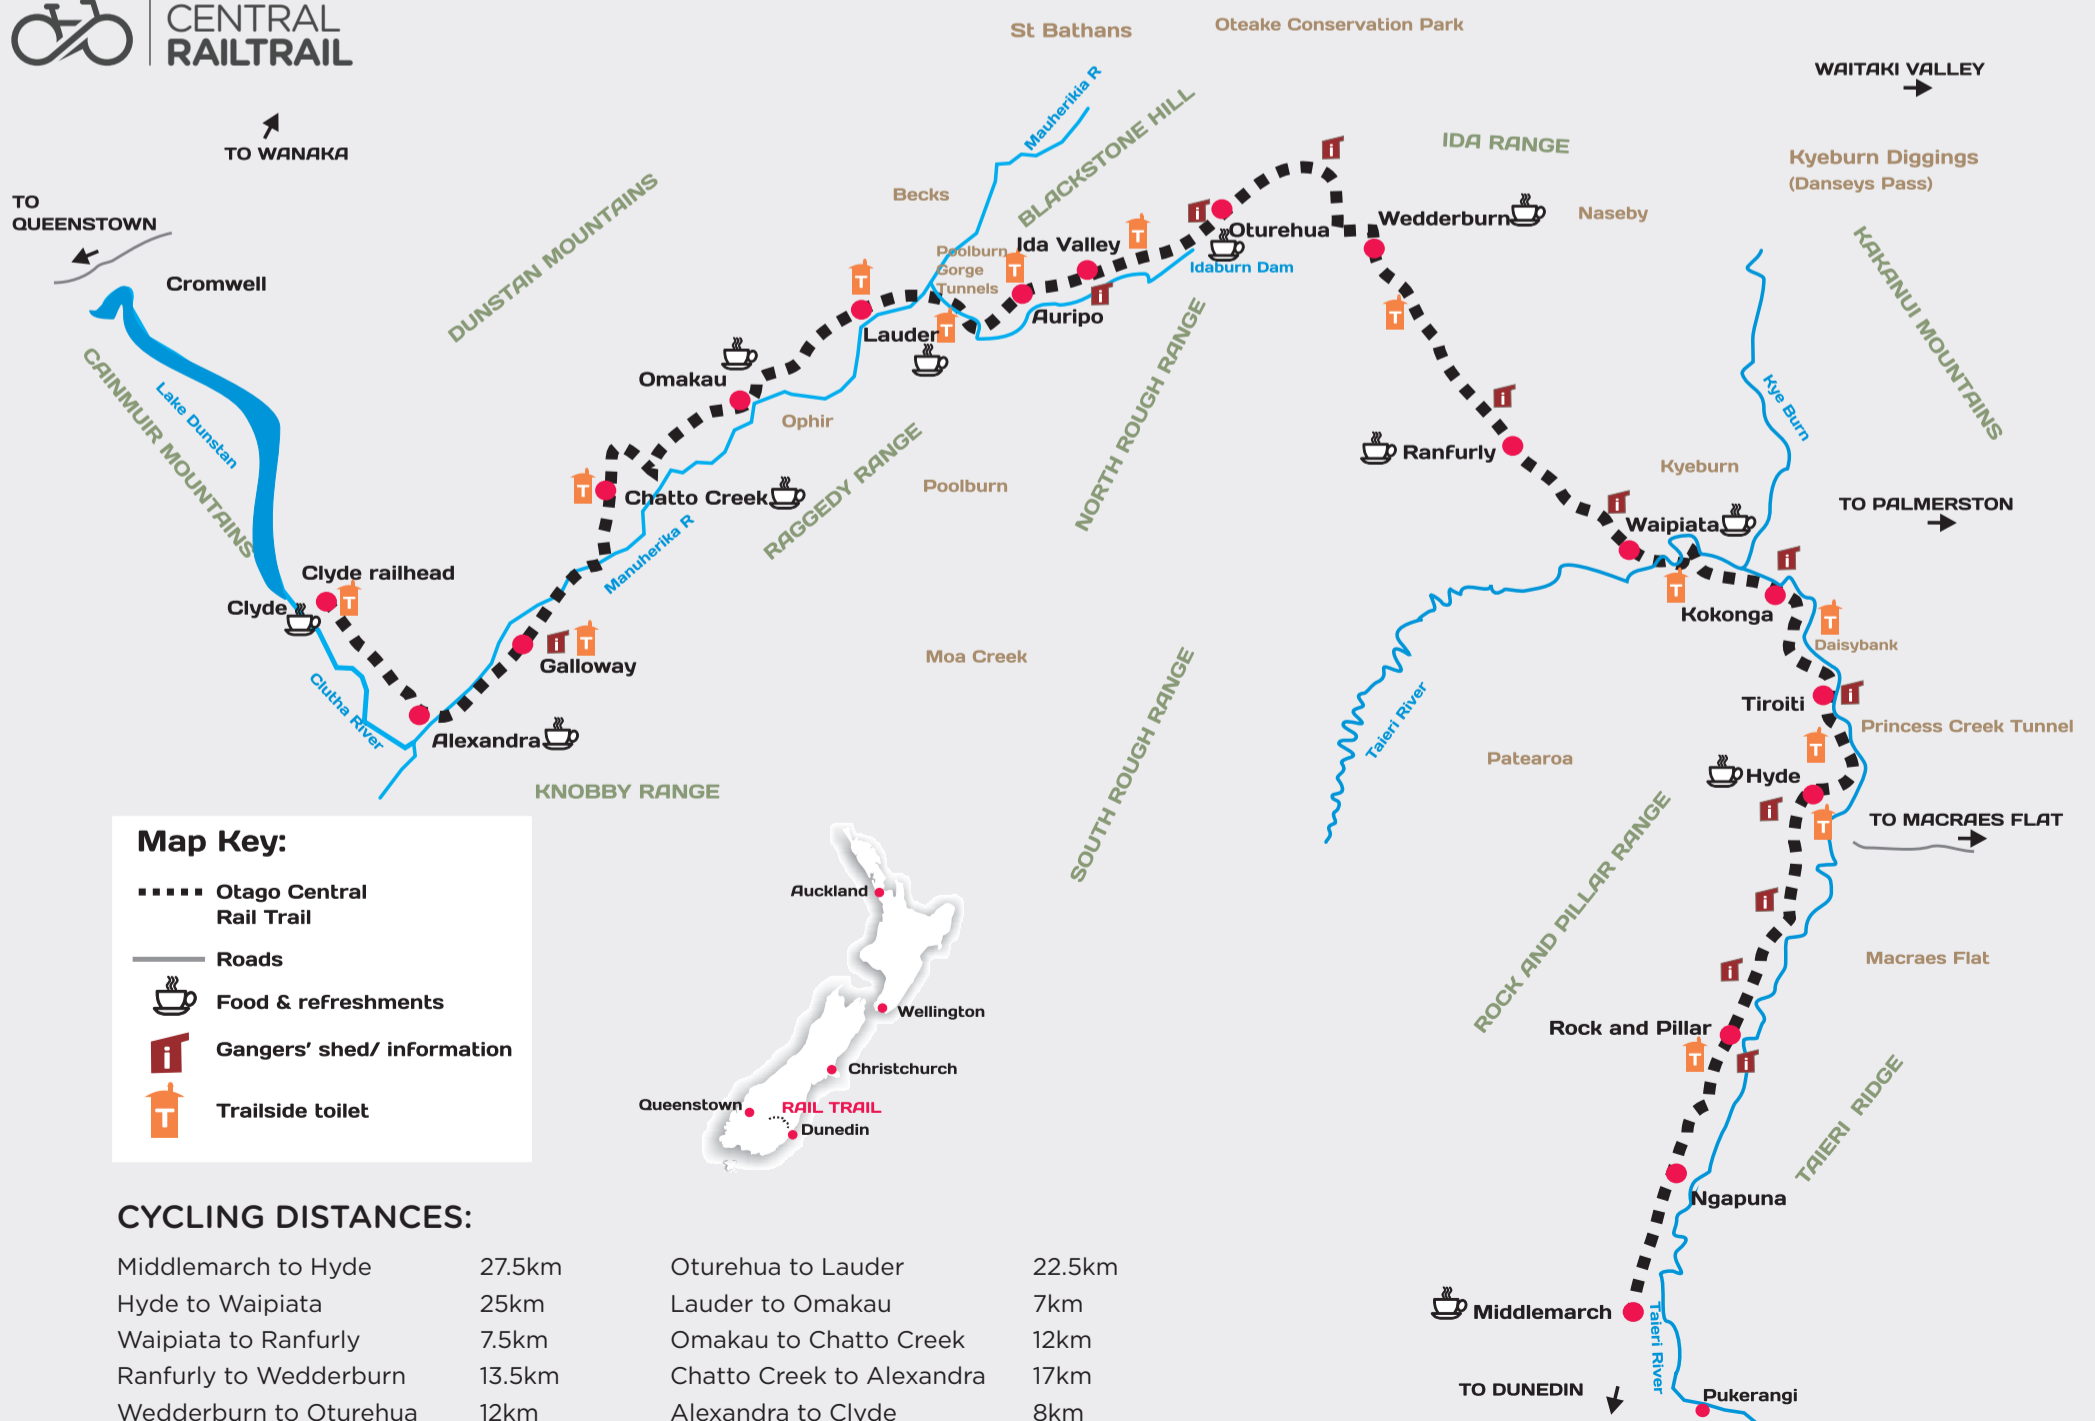

Pip has biked the Rail Trail many times and still gets a kick out of it. She is passionate about the beauty and history of the land and is a gold mine of information about the area.

Pip and her husband Dave pride themselves on providing excellent country hospitality and all-round helpfulness to every client.

"Our business is about giving a personable service where every client finds their expectations exceeded."

WHAT WE DO

CYCLE & ACCESSORY HIRE

Cycle Surgery has an extensive range of bikes available, ranging from small kids bikes to large adult bikes, trailers, kids seats, tandems & adult trikes. We can also provide you with all the necessary gear including panniers, SPD pedals and gel seat covers.

SHUTTLE SERVICES

Cycle Surgery specialises in bag transfers along the Rail Trail. Our generous 18kg weight limit allows you to bring the things you know you just can't do without when you're on holiday. We can arrange all your transport requirements from Dunedin to Queenstown - either way and in between. We also run a daily shuttle service to Pukerangi and return, and we can also book the Taieri Gorge Train for you.

RAIL TRAIL PACKAGES

Make it easy! Let the experts plan your Rail Trail holiday. We will organise your transport to and from the Rail Trail, Cycle Surgery Bike Hire, daily bag transfers, the best fit accommodation for your group, lunch suggestions and evening meal reservations. Your detailed Itinerary will include all the information you require to have fun and trouble free holiday. Contact us today to discuss your Rail Trail holiday.

CUSTOM BUILT BIKES THE MOST COMFORTABLE ON THE TRAIL

A comfortable & reliable bike can make or break your Rail Trail holiday.

OUR BIKES ALSO COME EQUIPT WITH:

In-moulded helmet for a safe and comfortable fit / Pump, tube, puncture repair kit / Bottle cage to fit 750ml bottle

BIKE HIRE
\$35/DAY

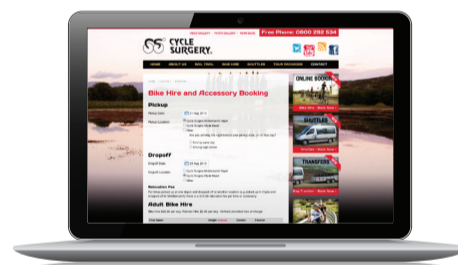

PANNIER HIRE
\$5/DAY

KIDS BIKE HIRE
