“An outstanding tour!”

Brett's tour was absolutely outstanding. Brett himself was a friendly, funny, helpful and extremely knowledgeable guide. Brett picks you up from your hotel building door, organises every part of the day's activities. This just means all you have to do is sit back and enjoy the day, worry-free. The tour is just great, the views from the Skyrail and the Kuranda Scenic Rail are just spectacular. Kuranda itself is a great little town with some awesome markets. I can't recommend Brett's tour highly enough, it's the best Kuranda tour on the market. Book in!
