*'Every time you stay, we hope it will feel
luxurious and special but with that relaxed
atmosphere of a home from home.'*

Welcome to the Fernhill Hotel

We are Chris and Wendy Satterthwaite and this is our home, and hopefully your home from home, located between the beautiful coastal Dorset village of Charmouth and the historic town of Lyme Regis.

We bought this faded hotel in early 2005 and since then we have been transforming it into the haven and oasis which we hope you will agree it is today. We always wanted it to be more than just another hotel, we wanted it to be a place where people could 'get away from it all', enjoy the countryside and delights of the beautiful surroundings but also feel at peace and relax.

And so, Fernhill is evolving into somewhere special to stay. Somewhere where you can enjoy the magnificent views, relax by our pool, eat fantastic home cooked food or indulge yourself with a relaxing treatment in our Cabin Clinic. You can of course explore the thirty acres of unspoiled grounds with woodlands, ornamental lakes and private coarse fishing.

But more than that, we try to make every visit personal and tailor the little things to suit you. We can provide special menus so that, for example, they contain wheat free ingredients, or we can organise complimentary activities such as yoga, fishing, golf, fossil walks and more. We can also arrange special events, be they for wedding parties, walkers, groups of friends or corporate functions.

Whatever the occasion, whether you are staying for a few days or a few weeks, we hope you will love this tranquil place and feel pampered, relaxed and welcome in it's friendly atmosphere.

We hope to see you soon.

The Rooms

Every room in the Fernhill Hotel is different. This is not a place where everyone is treated as a number and we have tried to reflect this in the individual decor throughout.

In essence, we hope you will find Fernhill a restful and elegant place to stay, one where you can wake in the morning to the lovely views, with sunlight flooding in through the windows and feel unhurried and completely at ease.

All the rooms come with en-suite bathrooms or shower rooms. Some have power showers, others have special massage baths so that you can be luxuriously pampered while the hours drift by.

We have 12 rooms in total. Our two spacious Valley View rooms have stunning panoramic views over the Char Valley and to make your stay extra special we leave you complimentary bathrobes, sherry, fresh flowers, fruit and books.

All our rooms have a European feel, with a shabby chic charm, which we love. We have mixed some of our own furniture with that we have brought back from trips abroad and with antique and second-hand shop finds.

Food at the Fernhill

The Restaurant

All the food cooked at Fernhill is made of and inspired by our love of good ingredients; where possible we try to use the best fresh, local, or organic produce. We can often be found in the kitchen putting together some wonderful creation with our chef and we always have an interesting and inspired menu with seasonal specials.

The dining room has a lovely colonial feel, with its mahogany tables and leather chairs, but there is also a real sense of intimacy and friendliness to every meal. We love guests to linger and soak up the atmosphere.

The Café-Bar

The Cafe-Bar with its sun deck over-looking the Char valley is open during the day for guests and passers by to drop in for snacks and light lunches. Everything we serve here is made with tender loving care from our lovely baguettes and salads to farm made ice-creams and pastries. Hotel guests are invited to sit by the pool or the terrace and enjoy drinks and tasty food.

During week day evenings, the Cafe-Bar is open to everybody and serves brasserie style food including fresh salads and a selection of lighter bites to enjoy with a drink.

The hotel benefits from it's own natural spring water.
