# OUR ACCOMMODATION

**Although our** home-from-home cottages and lodges offer well-equipped self-catering accommodation, we hope you'll find they far outweigh expectation. That's because they are each unique. And that, together with our attention to detail, makes them simply splendid.

Each of these stunning properties, set in our glorious Lancombe grounds, boasts tasteful decoration and incredible comfort. You merely need to bring along your personal essentials and cuisine of your choosing, and leave the rest to us.

We pride ourselves on the impeccable cleanliness and upkeep of our cottages and lodges, and our aim is to ensure all members of your party are delighted; from the moment you arrive, to the moment you leave. If there's anything more we can do to make your stay even better, please ask.

## The Cottages

Lancombe has six stunning cottages that are settled around the main walled landscaped courtyard. Each is idyllic, exhibiting traditional flint and brick.

The cottages vary in size, meaning we have something to suit all needs, whether you are a couple, a small group, or a family.

Inside the cottages, quality, comfort and warmth await you; along with ample information about Lancombe and the surrounding area, so you can be sure to make the most of your well-deserved holiday.

## The Lodges

Set at the far end of Lancombe's grounds, the three lodges rest on the edge of our woodland area, enjoying a rather secluded spot. The Lodges offer a truly marvellous place to take advantage of the fabulous views of the countryside.

Like our cottages, the lodges vary in size, so we are able to accommodate different guest's needs. There is a one bedroom, a two bedroom and a three bedroom lodge available.

All are gorgeously decorated and furnished; bright, spacious and airy; and boast a fantastic decked terrace.

## Glamping

Forget wet canvas and soggy sleeping bags. Our version of camping is truly remarkable and alluring!

For a spot of outdoor living with all the bells and whistles, Lancombe's authentic gypsy caravans offer a stylish and cosy base in the form of 'glamping' that offers space to fit a small family of three, or a couple. So they can form the basis of a romantic getaway, or a fantastic children's adventure.

The gypsy caravans sit in a peaceful corner of Lancombe's grounds, and are perfectly equipped and ready for your self-catering break. Hot showers and toilets are just a stroll away too, so there's everything you could possibly need.
