

The Official Test Centre (OTC) is the windsurfing, kitesurfing and stand up paddling (SUP) centre located right on the water's edge, within the grounds of the National Sailing Academy on Portland.

Accessible at any tide state and exposed to the best wind statistics on the south coast, The OTC has an affiliated RYA / AALA accredited school to cater for all abilities, an onsite shop to kit you out and the very latest equipment on hand to test.

THE OFFICIAL TEST CENTRE

The first and only *real*
watersports test centre

Watersports. Made Easy

WINDSURFING

Classed by many as the original extreme sport, windsurfing kit continues to evolve, pushing boundaries of what is possible on a board, whilst making the sport more accessible than ever.

The prevailing conditions in Portland Harbour, with its clean uninterrupted wind, flat water and large useable sandbar, make it one of the best locations in Europe to learn, progress and push your windsurfing abilities.

The RYA / AALA accredited centre is located right by the water's edge, making tuition easy to facilitate in any wind direction or tide state.

KITESURFING

Our kitesurfing lessons are taught by fully qualified BKSA instructors, taking full advantage of the harbour's safe surroundings by teaching offshore, well away from the busiest areas. With competitive prices and low teaching ratios, we can ensure your safe and efficient progression into the sport, using the very latest equipment. And if, after your lesson or course, you are keen to invest in kit, you can gain some credit for your purchase with us in our shop.

HOW TO FIND US

Take the A354 to Portland.
This will bring you to the
causeway linking
Weymouth and Portland.
Halfway along the
causeway you will
reach a
roundabout.
Turn left; we
are signposted
'Windsurfing School'.

SURF DOCTOR AHEAD OF THE CURVE

Our online shop has a wealth of articles, tests and top tips to ensure the advice doesn't stop when you leave our centre's doorstep.

STAND-UP PADDLING (SUP)

Stand-up paddling (SUP) is currently the fastest growing watersport in the world, and is as diverse as its appeal is broad. From racing and exploring, to wave-riding or enjoying a trip on a multi-person SUP, the sport has opened a new pathway onto the water for many. Come and try the various hard and inflatable boards we have in stock from over five of the sport's main brands, and join in with us at one of our many windsurfing and SUP evening clubs. Just ask a member of staff for more details.
