Australia's most awarded Eco Adventure Company
specializing in Dolphin and Seal swimming

Moonraker Dolphin Swims is situated on the picturesque Mornington Peninsula and is Australia's most awarded Eco Adventure Company specializing in Dolphin and Seal swimming and sightseeing adventures for over 25 years. Offering a range of marine wildlife activities from swimming with wild dolphins, coming face to face with friendly Australian Fur Seals, to spotting migrating humpback whales over the cold winter months.

Join a 3 hour snorkel adventure with resident Bottlenose Dolphins, swim alongside cheeky Australian Fur Seals, explore underwater marine parks filled with colorful fish and join the search for weedy sea dragons.

Or, take off on a 1.5 hour adventure cruise where you can see the very best of Port Phillip Bay. See wild dolphins swimming alongside, be just meters away from the Australian Fur Seals, cross the famous entry to Port Phillip Bay 'The Rip' and a visit to the Popes Eye Marine Park.

1.5 hour Adventure Cruise: year round activity.

Your Adventure cruise starts in beautiful Sorrento, where you board our purpose built boat 'Bronzewing'. See wild Bottlenose Dolphins surfing alongside the boat, be just meters away from the Australian Fur Seals, cross the famous entry to Port Phillip Bay 'The Rip' and visit the Popes Eye Marine Park where the largest colony of Australasian Gannets and their chicks can be viewed. Join in the search for the abundant coastal wildlife such as seals, dolphins, migrating whales and sea birds. The highly trained interpretive guides love what they do – so can ensure the experience is fun, enjoyable, entertaining and informative. This tour also incorporates a leisurely cruise along the famous water front homes and beach boxes of Sorrento and Portsea as well as cruising the calm waters of the Ticonderoga Bay Dolphin Sanctuary bordered by Point Nepean National Park.

Up close and personal

3 hour Dolphin Swim Tour: October to May

Be prepared for an exciting magical experience. Meeting us at the Sorrento Pier, swimmers are provided with snorkeling equipment before stepping aboard the 'Moonraker' to experience an adventure packed 3hr-enchanted tour. Cruising out into the sheltered waters of Port Phillip Bay viewing the pristine coastline, cliff top mansions and famous beach boxes. Arriving at the Australian Fur Seals who are waiting to share their underwater world with you. Chinaman's Hat Seal Structure is a man made structure built just for the Seals! Offering shallow water snorkeling and beautiful white sand seabed, this area has a maximum depth of just 4mts.

Keeping a continuous eye out for the dolphins the entire tour we cruise into Ticonderoga Bay Dolphin Sanctuary to search the coast for the resident dolphins, they can be located at any time in any part of Southern Port Phillip Bay!

Our cruises also include a snorkel with the Sea Dragons; these prehistoric looking sea horses are unique to our area and closely related to the famous leafy sea dragons these spectacular animals are Victoria's Marine emblem.

Once the dolphins are located we ready into groups of 10 people and prepare to enter the water. Floating on the waters surface your guides will try to entice the dolphins to spend time with our group, where they swim beneath you and often circle swimmers looking at you and showing off their amazing abilities. Every swim is unique making this experience a truly breathtaking adventure - and one you will never forget!
