

AWESOME WALLS

CLIMBING CENTRES

LIVERPOOL

WHAT MAKES US AWESOME?

Awesome Walls Liverpool is one of the finest climbing centres in the country. When we first opened the doors in 1999, we pushed the boundaries in what a modern climbing centre can provide and have continued to change and adapt our facilities to provide an awesome climbing experience.

For over 19 years now we have provided climbing tuition for individuals, schools, birthday parties, Scouts, Cadets... to name but a very few. From new to old, inexperienced to bold, our friendly and enthusiastic staff have shown the ropes to thousands of budding climbers.

Climbing has long been renowned for promoting confidence, self awareness and core strength.

Awesome Walls Liverpool is a one stop shop for adventure, fun and fitness.

Situated just off Great Howard Street (by the Tai Pan), we have easy access and plentiful free parking right outside our front door.
