CORAL VIEWING FANTASY

Window shopping at its best (April-October)

This wonderful Ningaloo sampler discovers the fire coral gardens, green sea turtle habitats, plenty of coral bommies and a kaleidoscope of colourful fish in the World Heritage-listed Tantabiddi Sanctuary Zone and beyond. Easy going 1 hour tour for those who do not want to go into the water, with full commentary from a passionate reef-fanatic.

CORAL VIEWING, SNORKELLING & COASTAL EXPLORER EXTRAVAGANZA

A must-do in Exmouth! (All year round)

This is our signature tour. It explores all that is seen on the Coral Viewing Fantasy Tour, plus encompasses a snorkelling stop at one of our favourite locations. In addition to the above, we cruise to deeper waters to investigate 1000+ year old corals and larger fish habitat.

Customers on the bus will also have an opportunity to explore the Mildura Shipwreck, and take on the breathtaking "birds-eye" views of the Ningaloo Reef from the historical Lighthouse Lookout.

This very affordable tour is a fantastic value... a full 2 hours on the water, around 4 hours all together (with terrestrial stops mentioned above and transfers to/from Ningaloo Reef).

ONLY \$80/adult, \$30/child (3-14yrs), \$190/Family (2ad 2ch, under 3 Free), \$70/senior

FULL DAY MARINE SNORKELLING SAFARI

An unforgettable snorkelling experience on Ningaloo (April-August)

Imagine a full day of discovery with multiple snorkelling stops – each in a different and a very diverse marine habitat! An ultimate marine experience exploring Ningaloo's fantastic depths and colourful shallows, the marine snorkelling safari offers more.

The unique design and incredibly shallow draft of our glass bottom boat allows it to go places where most other vessels simply cannot. Gain rare insight into the natural wonders of Ningaloo with continuous viewing throughout the duration of your journey.

Tour includes at least 6 hours on the water, a minimum of 3 snorkelling stops, delicious home-cooked morning and afternoon tea and lunch, all snorkel gear and transfers. A perfect day on Ningaloo.

ONLY \$170/adult, \$120/child (3-14yrs), \$520/Family (2ad 2ch, under 3 Free), \$150/senior

WHALE WATCHING

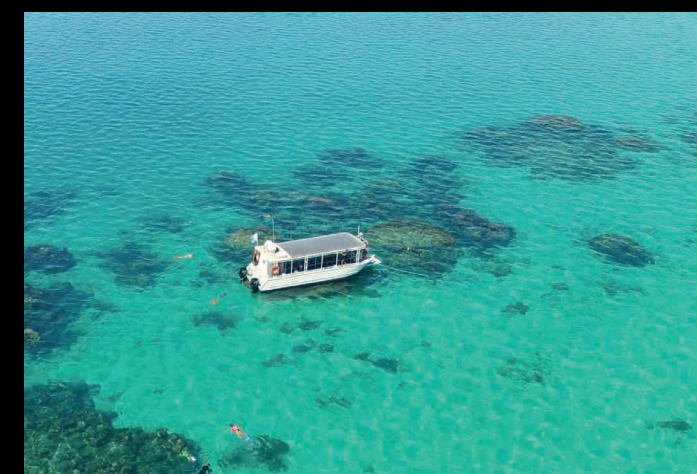

A one-of-a-kind tour. (August-October)

See the Humpback Whales – and see the world they live in through our vessel's large glass panels. Explore the diverse reef habitats of either Ningaloo or Bundegi Reef whilst seeking out the mighty Humpback whales. Experience either the magic of Ningaloo's west side or the unique top end of the NW cape peninsula (including the historical Navy Pier). Approximately 2.5 hours of glass bottom boat wonder including light refreshments served onboard and a use of an underwater hydrophone - so you can hear the whales sing and talk!

ONLY \$80/adult, \$40/child (3-14yrs), \$220/Family (2ad 2ch, under 3 Free), \$70/senior

Kindly note: All our tours are subject to weather conditions. We advise to book early to avoid disappointment. Looking forward to see you on-board!
