ADVANCED FACIAL TREATMENTS

Advanced or medispa treatments treats conditions on the face and body.

These treatments focus mainly on results rather than pampering treatments.

We can always combine the treatments to suit every individual needs and requirements to achieve the best of both worlds.

SKIN PEELS

Superficial skin peels stimulate skin cells, promote collagen levels and encourage elastin production for firmer looking skin. Old surface cells build up, harden, and lose moisture dehydrating the skin's surface causing congestion. The superficial peel clears away the old to make way for fresh, new, beautiful skin.

MOROCCAN HAMMAM EXPERIENCES

Throughout history, ancient civilisations such as the Greeks, Romans and Moroccan's have felt the healing powers of daily bathing for therapeutic and wellness benefits, as well as playing a part in cultural and social practices.

The Hammam experience is unique to Fleur De Lys Medispa and offers an escape from city life.

Let the soothing comfort and echoes of running water surround you, whilst relaxing on a heated marble table that stimulates blood circulation and opens the pores. Immerse yourself in an oasis of hot steam, eastern oils and perfumes in authentic Moroccan tiled rooms while your aches, and troubles fade way.

HAMMAM RITUAL

Embrace the ancient healing traditions of the Orient on a heated marble table to cleanse, soothe and revive. Your body is covered with traditional black soap followed by a thorough scrubbing on the heated Hammam table, combined with soothing rhassoul clay from the Moroccan Atlas Mountain mixed with rose water to nourish your skin.
