# Welcome to Aviair

As we celebrate our 33rd year of operation, we offer more reasons to choose Aviair for your Kimberley scenic air tour. Nothing is more important to us than the safety of our passengers, crew and those who assist us in delivering an award winning product.

Aviair is the only scenic tour operator in the East Kimberley to maintain their aircraft in accordance with airline standards – rest assured you are in safe hands.

We are proud to operate the most modern and newest fleet of aeroplanes in the East Kimberley. All of our aeroplanes are air-conditioned, with large windows and high wings for ultimate scenic views. Our skilled pilots provide an informative commentary as you fly over some of the most beautiful scenery in the world. Our aeroplanes all have a centre aisle for easy access and greater headroom and legroom than any other scenic flight aeroplanes in the Kimberley. Our aim is that you leave us with memories of a scenic experience of a lifetime.

As well as operating scenic air tours that have earned us multiple tourism awards, we have a significant charter flight business sector with corporate and private clients throughout Australia's North West. In addition, we are a small regional airline with flights servicing remote towns and communities. Our aircraft maintenance support team is based here in Kununurra.

## Why choose Aviair

- ✓ Air-conditioned aeroplanes

# Bungle Bungle Wanderer

TOUR CODE B1

Experience Purnululu by air and on the ground to appreciate the vast rugged beauty of the World Heritage listed national park. Choose from two options, a ground tour with an easy walk or a big day out with walking tours at the southern and northern part of the Bungles. There is the option to add on a helicopter flight departing from Purnululu.

Start your day tour with a one hour scenic flight from Kununurra in an air-conditioned, high wing aeroplane flying over the Ord Irrigation Area, the Ord Top Dam wall, Lake Kununurra and the full expanse of Lake Argyle. View the Carr Boyd Ranges, Osmand Ranges, the Ord River and Bow River.

Once you land in Purnululu National Park your guide will drive you closer to the Bungle Bungle Range. Walk amongst the famous eroded towers and black and orange banded beehive structures on the Domes Walk. Your guide will take you into Cathedral Gorge, where the towering cliffs open up to form a space with awe inspiring natural acoustics. Walk along the bed of Piccaninny Creek, which flows only in the monsoon waterfall season. The walk distance is about 3km. Learn about the Kimberley climate, the six seasons and unique flora and fauna so important to the traditional custodians of the land.

Return scenic flight to Kununurra, on the way viewing the Argyle Diamond Mine where rare pink diamonds are mined.

✓ Moderate to easy walk

# Bungle Bungle Wanderer + Echidna Chasm

TOUR CODE G

## Spend the whole day on the ground in Purnululu exploring Cathedral Gorge, The Domes and Echidna Chasm.

Commence your day tour with a one hour scenic flight from Kununurra in an air-conditioned, high wing aeroplane. Fly over the Ord Irrigation Area, Lake Kununurra, the Ord Top Dam wall and the full expanse of Lake Argyle. View the Carr Boyd Ranges, Osmand Ranges, the Ord River and Bow River.

Once you land in Purnululu National Park, take part in the Cathedral Gorge and Domes walk as in the B1 tour, see left. Then continue on to the northern gorges of Purnululu which are quite different to Cathedral Gorge and the Domes at the south. A 65 minute drive takes us northwards along the Western Wall of the Bungle Bungle Range. A rocky path leads your walk into Echidna Chasm, which narrows until it is just two shoulders width apart. Gazing skywards to the bright blue sky, the orange towering walls look as if they are lit from within. Livistona palm trees cling to the vertical sides.

A high level of mobility is required for this 1.5 hour walk as it includes climbing over boulders and walking up staircases to viewing platforms at the end of the chasm.

Return on a scenic flight to Kununurra flying over the Argyle Diamond Mine where rare pink diamonds are mined.

✓ Moderately challenging walk

# Bungle Bungle Adventurer + Diamond Mine

TOUR CODE X

Argyle Diamond Mine is the world's largest supplier of diamonds, producing around 30 million carats each year from its operation in the rugged East Kimberley region of Western Australia. Argyle is the world's primary source of rare pink diamonds, which have become the company's signature stone.

Combine the treasures of nature with the treasures of the earth in this fly/drive day tour. From Kununurra, we fly to the Bungle Bungle Range, then to the Argyle Diamond Mine. We give you the best views of this ancient formation comprising deep gorges and the well known "beehive domes" in the 20 minutes we spend over the massif. This scenic flight also offers views over majestic Lake Argyle and the bordering Carr Boyd Ranges, as well as views of Lake Kununurra, Ord River Irrigation Area and Diversion Dam. Next you will fly over and into the Argyle Diamond Mine. Enjoy a 3.5 hour (approximately) guided ground tour of the mine site. Your guided tour commences with a lunch at the staff village and a visit to the village store where souvenirs and Argyle diamonds may be purchased.

We then drive through the processing plant and visit the diamond and local history gallery. Finally, re-board your aeroplane and continue on the scenic flight home to Kununurra.

## Tour highlights

- ✓ Enjoy lunch at the staff village – experience the conditions of a mine worker first hand.
- ✓ Visit the village store where Argyle souvenirs and Argyle diamond jewellery can be purchased.
- ✓ Tour the process plant and discover the technology and processes employed in diamond production.
- ✓ View the diamond display gallery featuring over \$1 million of Argyle diamonds and jewellery.
- ✓ Watch two short videos about the mine, within the onsite cinema.

**AVAILABLE:** All year round – Tuesday, Friday, Sunday, or on demand

**DURATION:** Full day air safari 9:00am to approximately 3:30pm

**DEPARTURE TIME:** 9:00am

**PRICE:** Adult \$650

“

#### Wonderful Bungle Bungle”

What a wonderful day, flight and heliflight to see two of the wonders of Kununurra, the Bungle Bungle and the Argyle Diamond Mine which took in the beautiful escarpments and the river systems. Educational and scenic in one trip.

“

#### “Well Organised!”

We flew in the single engine light plane, flying over the Ord Dam to the mammoth Lake Argyle and then to the Bungle Bungle. We then landed at the Pink Diamond mine called the Argyle Mine, it was fascinating. Our pilot Shane was very friendly and was well informed about the local community. All in all, a great way to spend your morning, a must do when you are in Kununurra.

“

#### “Flight over Lake Argyle and Bungle Bungle”

Highly recommend this flight. Fantastic sights, a landing in the bush, knowledgeable, enthusiastic commentary from the very safe and smooth pilot. Covers a lot of country in a comfortable air conditioned plane with big windows for easy viewing. Spotted some large salties as well. Do it!
