### **Private Charter & Groups**

Special interest or social group excursions, private charters - contact us for your requirements.

**Just mail your requirements to: [info@e-ko.nz](mailto:info@e-ko.nz)**

## BIRDING EXPEDITION

E-Ko is very excited to now offer you, keen bird watchers, three different options for experiencing the plethora of rare and wonderful birds the Queen Charlotte Sound has to offer. All options include time spent on the water cruising the Queen Charlotte Sound in search of a large variety of sea birds that inhabit the area, including one of the world's rarest sea birds, the King Shag!

**Full experience details are here:**

## DOLPHIN SWIM & VIEW EXPERIENCE

Join us on a swimming with dolphins cruise in the calm sheltered waters of the scenic Marlborough Sounds. Our degree qualified guides are there to make sure you (and the dolphins) have the best and safest experience possible. We'll be searching for Dusky, Bottlenose, Common, Orca and the rare Hector's dolphins that frequent this unique area. Whether it's watching a group quietly cruising along or marveling at their high leaps, back-flips and somersaults during social bouts, dolphins are a magnificent sight!
