Cedar Springs is a quiet family owned chalet park established in 1966. The park is situated in a peaceful location away from the road and only 5 minutes walk from Heacham beach. Heacham is an attractive coastal village with amusements, pubs and shops all within walking distance.

Heacham is the home of Norfolk Lavender and has historical links to Pocahontas who features on the village sign. The Royal Estate of Sandringham is 15 minutes away.

Heacham beach is a mixture of sandy stretches and stones. It is one of the few beaches in Eastern England where the sun sets over the sea making for some absolutely stunning sunsets.

The seaside town of Hunstanton is 3 miles away and is within walking distance along the prom. There you will find all the attractions of a Victorian seaside town such as a theatre, Sea Life Centre, leisure centre, fairground, bowling, crazy golf etc..

RSPB nature reserves are nearby at Snettisham and Titchwell.

A car is advisable to explore the lovely countryside and beaches of the Norfolk coast. However, if you prefer to leave the driving to someone else there are very good, frequent bus routes through the village.

The towns and villages along this coastline offer a variety of seaside and spectacular countryside plus some lovely pubs to stop and enjoy a drink and a nice meal..

All our properties are annually assessed and graded by Visit England inspectors.

The properties featured in this brochure are owned and supervised by the park owners who live nearby.

Designated parking spaces provided outside all properties.

Free WiFi - variable signal.
