**Beaver Furniture** Is an independent family owned business founded in 1960 by Colin Almack.

Our beautiful classic or contemporary hand made furniture will add timeless style and elegance to your home and is a perfect addition to any room.

Choose from our own designs or have your furniture tailor-made for your kitchen, dining room, bedroom or living room. We make fitted furniture to utilise those nooks and crannies and also libraries and studies custom-made to your unique requirements. Our bespoke service begins with a conversation allowing you to draw on our expertise to bring your ideas to reality. If you don't see what you had in mind please just ask.

Every piece of furniture carries our famous carved Beaver trademark.
