

Dickerson's Lake Florida Resort is a life-style...we have continued the traditions of gracious hospitality started over 90 years ago by Bob's great-grandparents. We have chosen to remain small to give your valuable vacation time our utmost attention. Through the years each generation has attempted to maintain the serene atmosphere created years ago for people far from home. Today as our pace of life increases, those stolen moments together become even more meaningful at Dickerson's. It is here where family and friends can join together in an atmosphere of warmth and happy experiences. Our many families returning year after year attest to the quality of our service. We hope we can be your hosts for building "Sandcastles and Memories."

Bob & Connie

Golf...One of many challenging area courses in Willmar, Paynesville, Atwater, Brooten and Raymond and mini golf in Spicer.

Restaurants and Entertainment...Less than a 15 minute drive in Spicer, New London and Willmar.

Historic Past...Kandiyohi County is a very historic area with 41 marked sites. We have a great Historical Society and a car, truck and tractor museum.

Churches...All faiths – including outdoor services and Saturday Masses.

Hiking and Biking...Miles of nature's beauty. We are conveniently located close to hiking and biking trails. Sibley State Park and the Glacial Lakes Trail are less than 5 miles away. The Prairie Woods Environmental Learning Center is in our "back yard."

Groceries...We have a small store with bread, milk, candy, frozen foods, ice cream, and bait. We also have souvenirs such as t-shirts, sweatshirts and mugs.

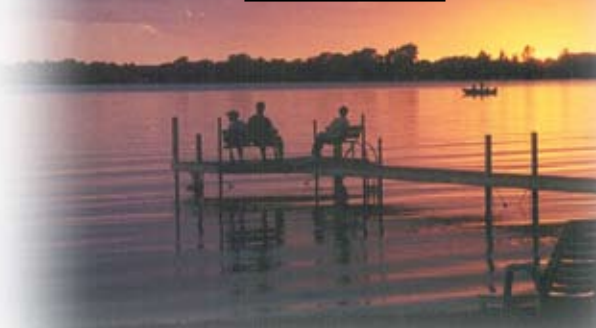

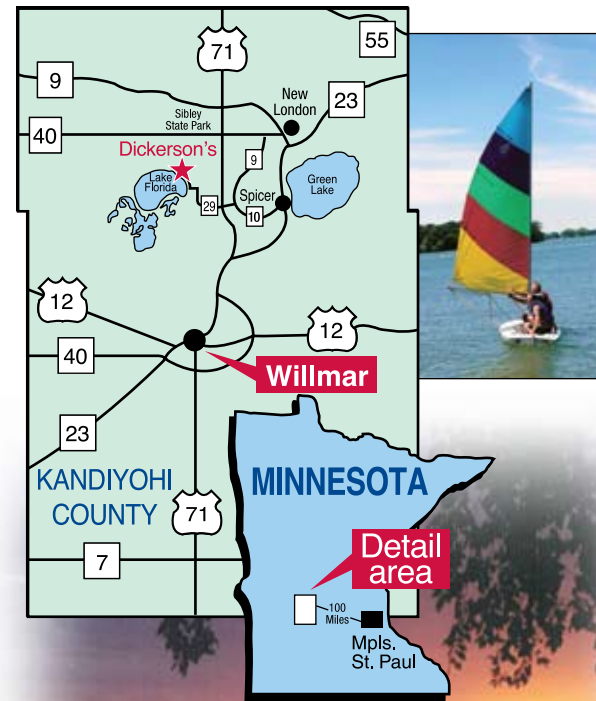

Small library and TV room with DVD & VHS players.

Relax Outdoors...Picnic tables, Adirondack swings and chairs.

Hydro Bikes – Kayaks - Sailing
Canoeing – Fun Bugs
Paddleboat – Tubes

Children's Playground...
Swings – jungle gyms
wagons – bicycles and
tricycles of all sizes

Gasoline...Service
at the dock for
your boating fun.

helping families and friends

***"Build Sandcastles...
and Memories"***

Thank you for your interest in the accommodations of Dickerson's Lake Florida Resort. This brochure is an honest representation of what we feel is one of the finest "family resorts" in Minnesota. We take a personal interest in seeing that your stay fulfills all of your expectations of a thoroughly enjoyable and relaxing vacation.

If you're in the area, stop and say hello...we'd like to meet you and show you around.

We are located on the east shore of beautiful 675-acre Lake Florida, away from the heavy traffic of the main highways. This accounts for the quiet, restful atmosphere you and your family will enjoy at Dickerson's. Even the loons return year after year.

Our cottages are on a flat, shady area on 450 feet of beautiful sand beach. They are all completely furnished, housekeeping cottages. Lake Florida is truly FLORIDA IN MINNESOTA with its wonderful sand beach and crystal clear water for swimming and water sports.

Lake Florida has always been one of the best Walleye and Large Mouth Bass lakes in the area. In addition, Lake Florida has Northern Pike, Crappie, Sunfish, and Perch. We don't guarantee you will catch fish, but you'll have fun trying! Fishing licenses may be purchased at local bait shops. We have motors and a pontoon for rent.

There are many other fine lakes within a five-mile radius in which you can try your luck as well.
