

NZ'S HIGHEST PARASAIL

Located in the beautiful Bay of Islands FKP has been independently owned and operated since 1998.

Gently take off and land off the back deck of our purpose built MOSS certified parasail boat.

No age or physical restrictions.

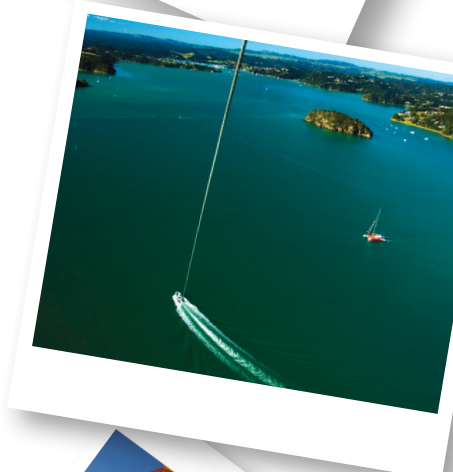

At Flying Kiwi Parasail we put safety first. All of our captains have gone through extensive training. With 27 years experience our director, Richard DeRosa, worked alongside Maritime New Zealand as the "expert in parasailing" and helped develop New Zealand's first safety guidelines for commercial parasail operators. These guidelines were published by Maritime New Zealand in December 2014. FKP is MOSS compliant and Maritime certified.

We have a 100% safety record.

Parasailing with us can be a calming, soaring scenic experience or

hang upside down at 1200ft

of towline and get the adrenalin version.
