

MOZART DINNER CONCERT

Barocksaal St. Peter

**Let yourself be
enchanted,
be ... a guest of
Mozart!**

Unique Candle-lit concerts...

...performed by opera singers in period costumes. A musical and culinary temptation in the stylish setting of the restaurant Stiftskeller St. Peter. Visiting our performance you will be taken back to Mozart's time! Come and enjoy an evening likely to have taken place in 1790- in the candlelit Baroquehall, having a dinner based on historical recipes, listening to a concert with musicians and singers in period costumes and the music of Wolfgang Amadeus Mozart.

This music is most important to us. We celebrate it. Every single evening!

The musical program of the Mozart Dinner Concert is performed in three parts. Each part is dedicated to one famous Mozart opera and will be performed before and in between the courses of your menu.

- Clear soup with the fine taste of lemons and rosemary-quark-dumpling
- Breast of roasted capaun (chicken) stuffed with quark and herbs on glaze of red wine with potato gratin and vegetables from Pater Priors's garden

The single courses of our dinner are served during the concert intermissions.
