

Schlosskonzerte Mirabell

im Marmorsaal von Schloss Mirabell Salzburg
Concerts at the Marble Hall of Mirabell Palace

The Marble Hall of Mirabell Palace is considered to be one of the most beautiful and historically significant concert halls of Salzburg and the world. Even Leopold Mozart performed here with his children Wolfgang and Nannerl. Today, selected classical concerts with exceptional performers, take place at this unique venue.

Prestigious ensembles, soloists and chamber orchestras perform the works of Mozart, his contemporaries and the great composers from the Baroque, Classical and Romantic periods on a high level. A majority of our concerts display 'historical performance practice', meaning the musicians play on period instruments from Mozart's time. Enticing concert programs promise an evening of culture and delight.

Mirabell Palace was built in 1606 by Prince-Archbishop Wolf Dietrich. The name is composed of 'mirabile' (admirable) and 'bella' (beautiful). The Mirabell Palace- with its gorgeous baroque garden and the magnificent Marble Hall- deserves this name indeed.
