The Winzer Krems estate

WINZER KREMS encompasses 980 winegrowers from Krems and the surrounding wine-growing villages. The winegrowers cherish and cultivate their vines the whole year round. In the autumn they select only the ripest, healthiest grapes and harvest them nearly exclusively by hand. Because only the experienced hand of the grower knows when the right time has come for the wine harvest. And you can taste this experience in every drop.

Winzer KREMS, Sandgrube 13, is one of Austria's best-known wine addresses. Its setting is unique: at the gateway to the World Heritage cultural landscape of the Wachau, one of the most beautiful stretches of river valley in Europe. Pleasurable in the truest sense of the word.

WINZER KREMS has its historic roots in the Krems-Stein winegrowers' guild, founded in 1447. Today, as Austria's major producer of quality wines, we combine traditional viticulture with state-of-the-art cellar technology. Here in our cellars at Sandgrube 13 we take the grapes produced by 980 growers and turn them into fine wines.

We invite you on a journey of a different kind to discover the fascination of wine: **SANDGRUBE 13 Wein.Sinn** takes you on an 8-stop trail to experience the noble juice of the vine and take a peek behind the scenes. Wine is so much more than just a drink. Wine is life, culture, inspiration, and the result of a lot of hard work.

1 Wine.Growing

From the blossom to the grape: 18 different grape varieties are cultivated in our vineyard. Enjoy your first glass of wine from the Sandgrube estate in our original „Watchman's Hut“.

2 Wine.Region

Wine is a way of life. A culture that has shaped Krems and the surrounding region. Discover Krems and its environs from an unusual perspective.

Experience, explore and taste the wonder of wine. In Krems, at Sandgrube 13.

3 Wine.Treasure

Wine is something very precious. Like us, it matures over the years; enriched by experience, it has more stories to tell. In the bottle cellar, our treasure vault, the WINZER KREMS cellar master and cellar spirits keep watch over noble vintages spanning five decades.

4 Wine.Cellar

As the vine to the grape, so the cellar to the wine: a place of growth and ripening. Be it an oak cask or a modern stainless steel tank - wine needs a home where it can withdraw undisturbed and mature to perfection. You enjoy your next glass of wine.

5 Wine.Film

Sunshine and rain, the nutrients in the soil, the scents of nature: they all help to shape the wonder that is wine. The experienced hand of the wine-grower - sometimes coupled with pleasure in experimenting - brings out its full quality. **A multi-sensory film experience in 3D!**

6 Wine.Art

A play with the senses, at once fascinating and simple. Wine, art and human being - a walk through a fantastic world that leads you to pause, reflect and wonder, to stop for a moment of contemplation. Here, for a short time, you're quite alone with yourself and the world of wine.

7 Wine.Gallery

The tour is almost accomplished - the visitor enjoys the next glass of wine. The Riesling "Von den Terrassen" rounds off the journey to discover the fascination of wine. And in the new designed „living room of the vintner“, it tastes marvellous!

8 Wine.Shop

At WINZER KREMS we have a lot to offer, and we're delighted to share it with you. In our well-stocked **wine shop at Sandgrube 13** you can purchase wines and various wine-related goodies.
