UNIQUE ADVENTURES

WANGANUI SOUTH BEACH COASTLINE

Wanganui offers a total smorgasbord of outdoor activities and attractions. One of the most attractive, yet by many unexplored is the Wanganui Southern coastline. Explore it on a 2 hour day tour, side-by-side, tailored to your adventure factor, beautiful scenery and not to mention great fun!

NGAMATAPOURI

One of the best areas in the North Island for a real outdoor side by side adventure has to be Ngamatapouri and the Waitotara valley. It is an area so rich in farming and Maori history, it's so ruggedly appealing. Explore it with us, in our Canam side-by-side on a one day guided adventure of pure awesomeness!

WHANGAMOMONA AOTUHIA

Truly a Jewel in the Crown of Inland Taranaki. An adventure that will stay in your memory book forever. Our rides are based on Aotuhia Station which is just 1km past the 'Bridge to Somewhere'.
