The 1st  
Live Escape Game  
in Interlaken

## The Concept

You are locked in a mysterious room with your team... Are you clever enough to get out in time?

MysteryRooms is the real life version of the popular computer adventure game category "escape game". We brought this concept from the computer screen into reality. The searching, the puzzle solving and the excitement remain, but the experience becomes touchable and the place is real.

You are not just playing a game... you are IN the game!

- Family Fun
- Teambuilding
- Great for Dates
- Fun with Friends
