## *How to find us:*

Reen Manor is halfway between Newquay and Truro, just off the B3285 Perranporth road from Goonhavern. Travelling along the A3075 at the Goonhavern mini roundabouts follow the signs towards Perranporth. About a mile along the road there is a sign for Reen and a Reen Manor Riding Stables sign, turn into the lane and travel a further 500 metres and you will see a Riding Stables car park sign on the right.

## Beach Rides

This is a two hour hack over Perran sand dunes and down onto Perranporth beach, one of Cornwall's finest, with it's 3 mile expanse of sand.

## Dunes Rides

This is a one and half hour hack over Perran sand dunes above Perranporth beach, a great alternative to the normal one hour trek on the bridle paths.

## Half-day Pub Ride

Ideal for individuals or groups of all standards. This ride enjoys the views of Perranporth and the sand dunes and follows quiet leafy lanes through the Cornish countryside before arriving at a local traditional real ale pub. Staff are on hand to look after the horses whilst riders can enjoy a pub lunch and drinks before riding back to the stables.

## One Hour Trek

Enjoy a quiet hour and beautiful views along the local bridle paths and byways; this trek is ideal for newcomers, novices or intermediate riders.

## Two Hour Trek

A little more adventurous and ideal for groups of mixed riding ability. This two hour trek/hack takes in panoramic rural scenes at a slightly faster pace.

## Children's Activities

### Half Hour Children's Ride

Specifically designed for children, with parents and friends welcome to come along on either horseback or walking whilst children have a gentle walk round on a lead rein.

### Saturday Kids Club

Every Saturday, group lessons are available for children to come and learn basic riding skills in small groups, before progressing to cross country and show jumping techniques in the more advanced classes.

Children are also encouraged to come along and help out and learn about caring for the horses and other aspects of equestrianism - a popular way to spend Saturdays for many of our young riders. This helps develop awareness of caring for ponies and horses and the correct way to behave around them - it is also a great way of making new friends, both 2 legged and 4 legged.

## Riding Lessons

Group and private lessons are available for all standards from beginners to learn the basics, to more experienced riders looking to refine their existing skills. Our in-house instructors will be able to discuss with you the best use of the lesson time.
