## Unique Dining

### New Zealand's only stern-wheel paddle driven vessel

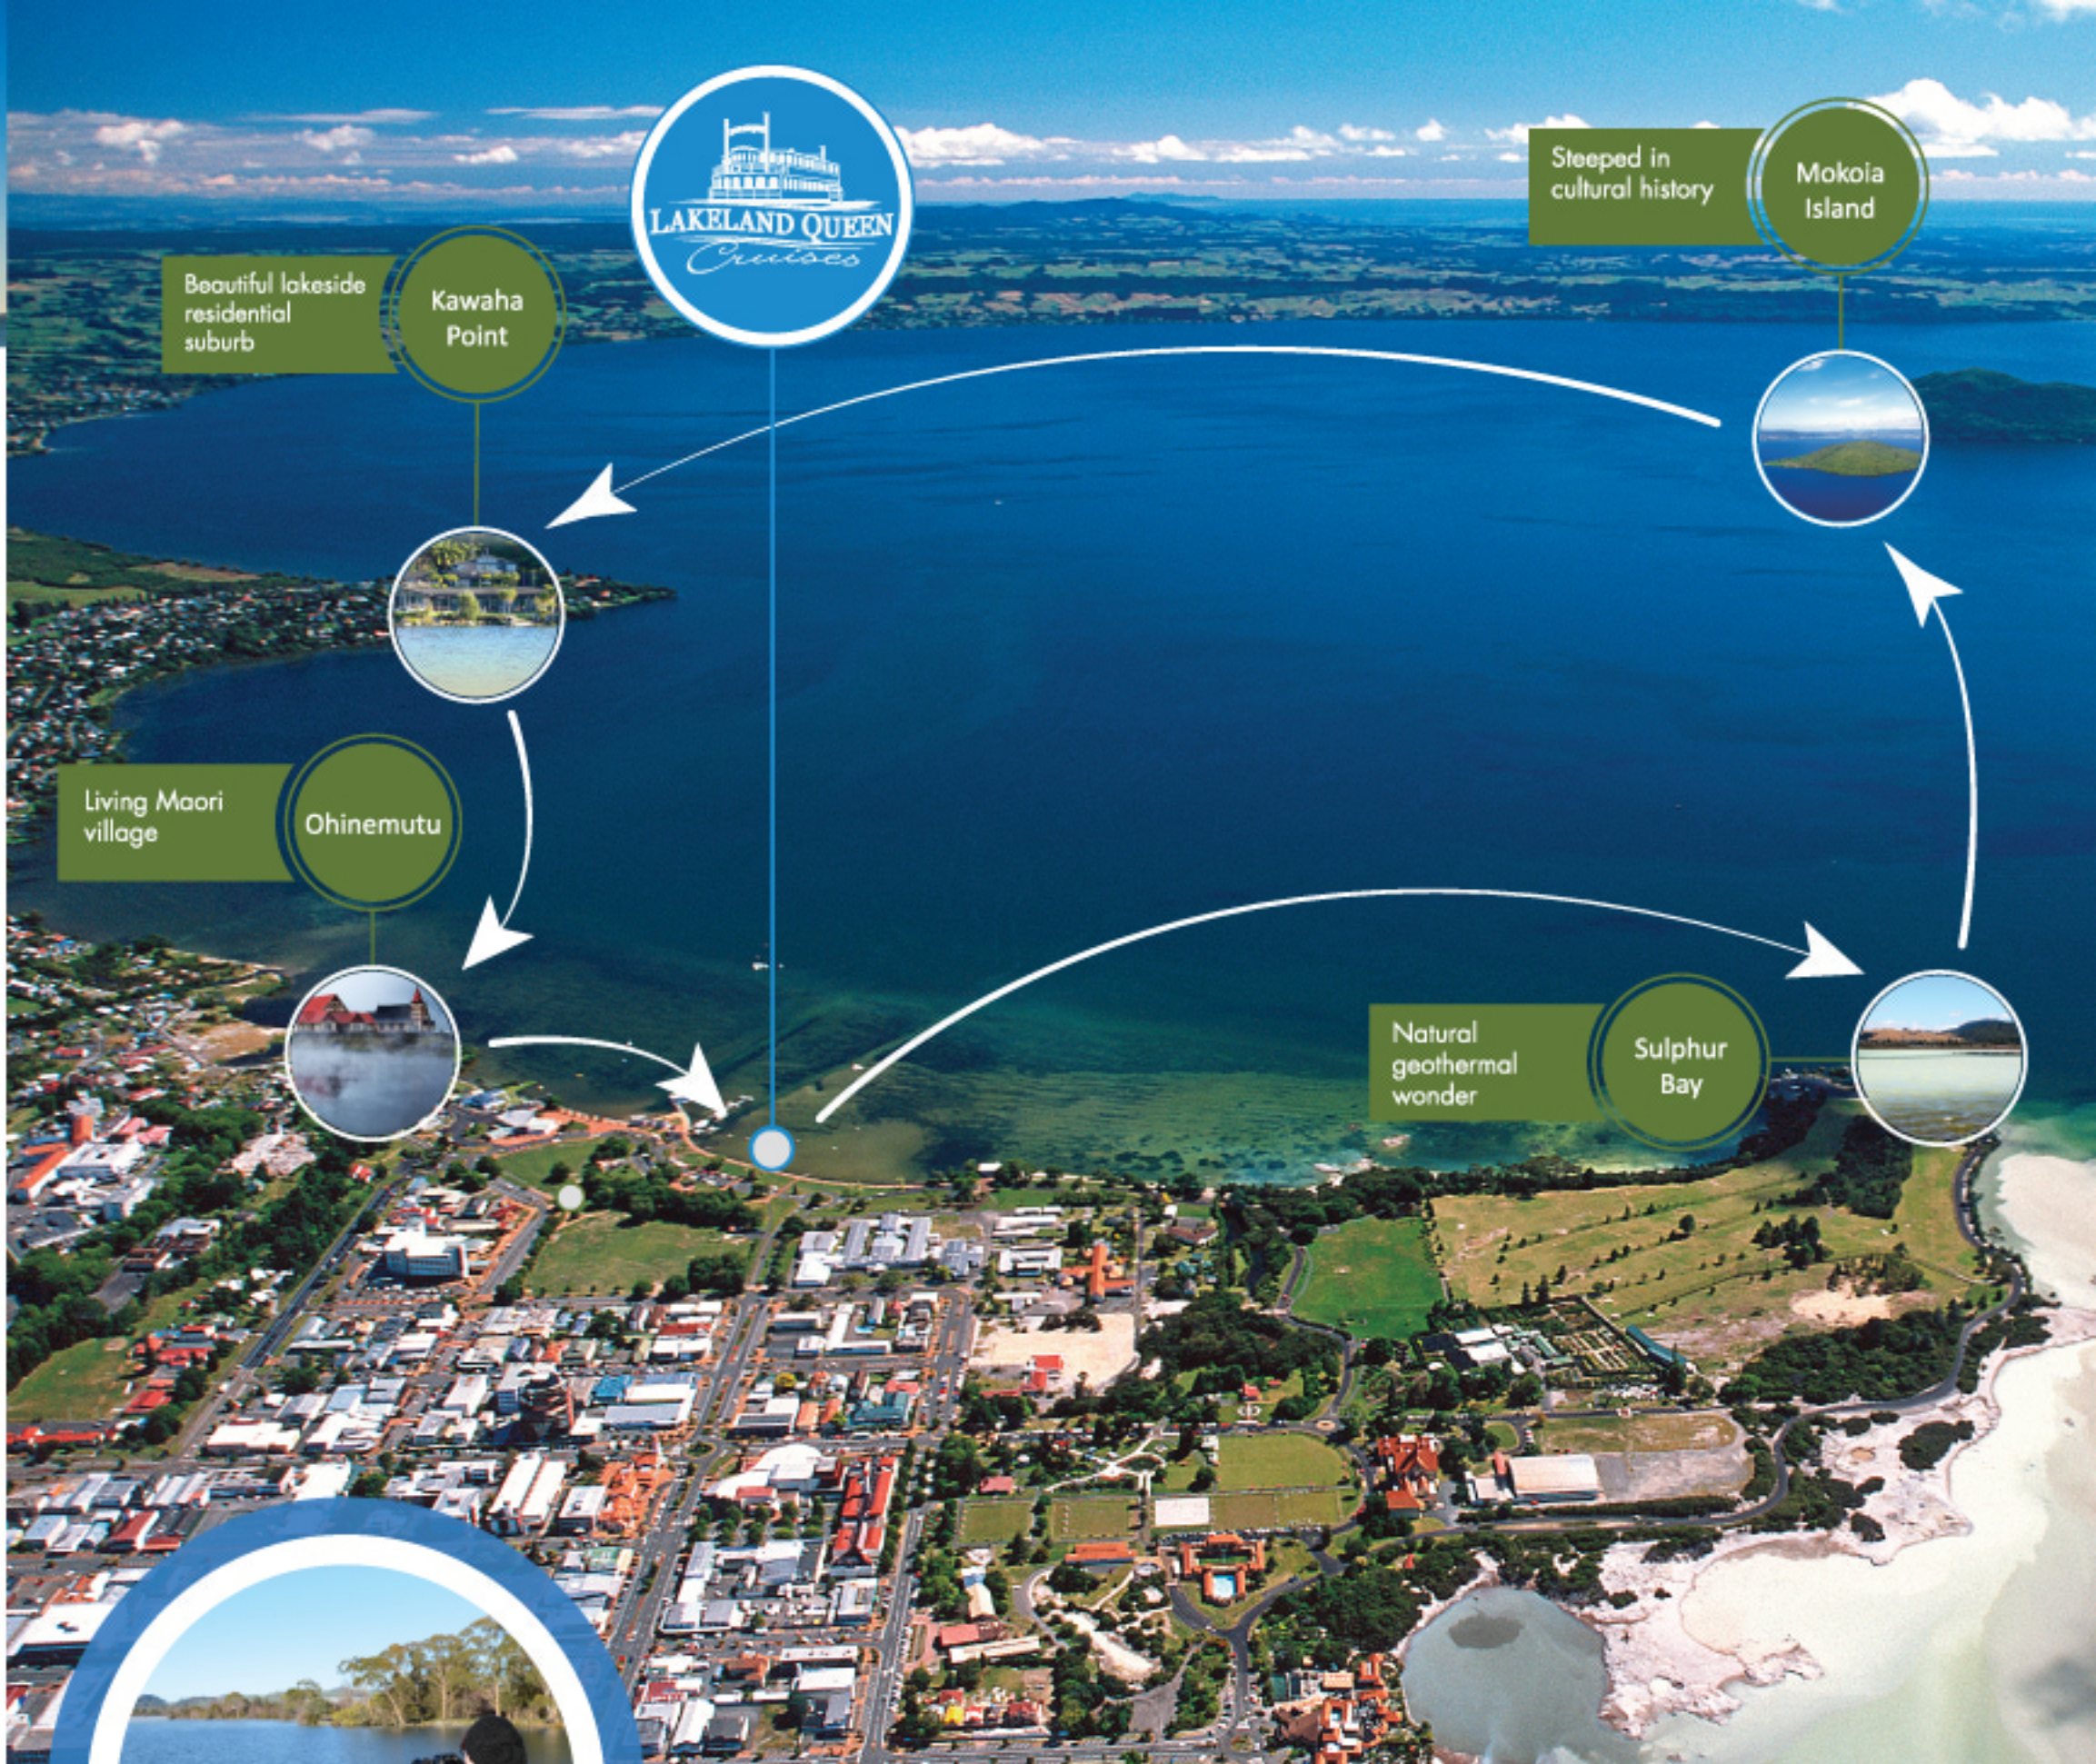

Take the opportunity to enjoy a unique dining cruise onboard the Lakeland Queen – the only way to explore the region's largest lake - Lake Rotorua. A beautiful lake with its own unique geothermal features, natural wonders and unique landscapes.

Join us for a range of daily 1 hour cruise options including breakfast, coffee, lunch or dinner. Experience stunning views only accessible by boat including the mystifying geothermal area and bird sanctuary of Sulphur Bay with its milky white lake water, the volcanic rock dome steeped in cultural history and known as Mokoia Island and reflective views of the city.

Departing daily from the Rotorua Lakefront and with two deck levels, outdoor viewing platforms, full bar service and informative commentary the Lakeland Queen offers a two in one experience with a dining and lake cruise to remember.

A relaxing scenic cruise that is uniquely Rotorua.

### Cruise Highlights

Lakeland Queen scenic cruise captures the very best of Lake Rotorua's unique landscapes. Enjoy stunning lake views, get up close and personal with the areas rare geothermal features, natural wonders and landscapes.
