WHO WE ARE

Catty Shack Ranch Wildlife Sanctuary is a 501(c)(3) non-profit organization. Our mission is to provide a safe, loving, forever home for endangered big cats, and to educate the public about their plight in the wild and captivity. Our primary focus is in the rescue of cats from serious situations.

Once an animal is taken in at Catty Shack Ranch, they have a loving, forever home for life. We do not breed, sell, or trade any of our animals.

Our current residents include tigers, lions, cougars, leopards, a bobcat, foxes, and a coati mundi (the last two are "honorary cats").

TOURS

We offer daytime tours and night feeding tours, both allowing visitors to view all 40+ of our residents. Daytime tours are a great way to see our cats relaxing and enjoying the sun, while night feeding tours are a one-of-a-kind experience to see more than 450 pounds of meat be distributed to all of our residents. Children and adults of all ages are welcome to join us for any of our public tours!
