Drive over Takaka Hill, known as 'marble mountain', and discover another world: Golden Bay. Nestled in Takaka Valley on a 31 acre lifestyle farm, Golden Caves Bed & Breakfast offers remarkable views. We are just 'steps away' from Puppu Springs the reputedly clearest freshwater springs in the world, Abel Tasman National Park with its world famous coast track, pristine beaches, sculptured and granite cliffs. Fishing, kayaking, rock climbing, horseback riding go for it!

We have two spacious, modern private bedrooms en suite in a quite setting combined with separate access and shared lounge.

We love to welcome people from all over the world!
