

At Wetland View Park our aim is to help you discover the Wild West Coast of Golden Bay.

The area includes Wanganui Inlet, Mangarakau Swamp – one of the largest wetlands in New Zealand, part of Kahurangi National Park and the northern West coast beaches.

Our property includes the southern outlet of Mangarakau Swamp and 30 hectares of covenanted wetland and bush.

We are happy to spend time with you and provide you with information about the area, its flora, the birdlife and history. There are numerous tracks in the area so you can enjoy the beauty of the area in your own time.

Allow plenty of time to enjoy your trip to Wetland View Park. The road through the inlet is quite spectacular and the view from the top of knuckle hill is well worth stopping for a photo and the walk to the top is worth the climb. Turn left just after Pakawau on the road to Farewell Spit. Mangarakau is 30 km from the turnoff. Our turn off at Snake Creek Road is 2 km beyond the small settlement of Mangarakau and we are 1 km down the road.
