WHO WE ARE

Inch Perfect Trials was started by Matthew Alpe a young keen trials rider who had achieved top 10 finishes in the British Youth Trials championship and was several times North West Centre Expert Champion... Matthew wanted to showcase the sport to the public, so first did a trials display at a local Agricultural show which went down a storm... Inch Perfect Trials Display was Born! This quickly progressed to performing at shows all over the country with his team. Since 2010 the team have performed at more than 100 shows including: British Super bikes, Otley show, Wilton House Classic and supercar show, Southport Flower show and International Dirtbike show, to name just a few.

On the back of the success of the Display Team, and due to high demand, Inch Perfect Trials also run a full range of experience and training days suitable for aged 9 upwards and all ability levels. Let us put you through your paces with an adrenaline filled day out like no other! Thrilling and challenging training and experience days are delivered by our professional trials riders in stunning and rugged countryside.

Based in the beautiful Ribble Valley, just 20 minutes out of Clitheroe, lies 100 acres of fantastic trialing land at the home of Inch Perfect Trials.

Complementing the training and experience days is the Inch Perfect Trials shop where you will find a wide selection of new and used trial bikes all ready to go, alongside parts, clothing and accessories, a true one stop for everything trials!
