

# All Terrain Adventures

Off the beaten tracks and into the warm heart of Uganda.

"the best" ATV/Quadbike safaris in Africa at the best prices in the World.

**Information & F.A.Q.s** about our drive-yourself, Roar of de Nile, guided ATV (All Terrain Vehicle) Quadbike Safaris beside the River Nile from Bujagali - East Africa's centre for adventure.

- Open every day (except Xmas Day), located at the main gate, Bujagali - 7km downstream from the start of the River Nile, Jinja. For more information go to [www.atadventures.com](http://www.atadventures.com)
- Safari start times to suit you between 8.00am and 5.00pm.
- No minimum number, 1 person welcome.
- Maximum group size = 20 and normally split into smaller groups of faster and slower riders.
- A free training / practice session is conducted before each safari starts. This is exclusive of safari time – we only start the trip after every rider has completed the practice circuits and is able to control the ATV / Quadbike OK.
- No previous experience is necessary. All ages looked after with care and attention. All levels – novice to expert.
- Included on every trip; protective clothing (helmet, goggles, overalls, and bandana), all taxes including VAT, bottled mineral water is carried by the guide, sodas and snacks on longer trips . You bring your own closed shoes (not open sandals), perhaps a camera and a big smile (optional).
- Our trips are tailored to suit you. If a mixture of faster and slower riders, we provide extra guides, start together, then split the group early in the trip.
- Kids Quads from about 7 years old on supervised circuits.
- One person only each ATV / Quadbike.
- No cancellation fees.
- Younger children may ride with the guide or parents - small helmets and overalls are available (10,000/=).
- Kids can probably ride themselves on shorter safaris from about 8 - 9 years old (depends how they manage on the training / practice circuits).
- Rates are specified in US\$ and payment can also be made at current rates in; Ugandan Shillings, Euros, GB Pounds and Kenyan Shillings.
