EMOSSON

A journey ASCENTSATIONAL

FACING MONT-BLANC

OPEN FROM 20 MAY UNTIL 22 OCTOBER 2017

Vallée du Trient Vallorcine
ESPACE MONT-BLANC

★ SPECTACULAR PEAK EXPERIENCE

In the heart of Espace Mont-Blanc, midway between Chamonix (F) and Martigny (CH), VerticAlp Emosson takes you to the top of Emosson Dam, the second largest water reservoir in Switzerland.

Using three rail systems forming an unparalleled tourism park, the world's steepest funicular with two carriages, the panoramic train and the mini-funicular, you will disembark at an altitude of 1,965 m, facing the magnificent panorama of the legendary Mont-Blanc.

Mont-Blanc
4810 m.

2 PANORAMIC TRAIN

- Length: 1650 m
- 5 tunnels
- Panoramic line on a mountainside

3 MINIFUNIC

- Height difference: 143 m
- Length: 260 m
- 73% maximum slope
- Arrival: lake Emosson

1 FUNICULAR

- Height difference: 700 m
- Length: 1306 m
- 87% maximum slope
- 2 tunnels
- Departure: Le Châtelard (VS)

★ 3 TIMES MORE INTENSE ADVENTURE

1 THE CHÂTELARD FUNICULAR

Departure point of your adventure, two new panoramic carriages take you on an amazing vertical trip. During the ascent the view opens onto an increasingly grandiose alpine landscape, until you arrive at Montuires station, 700 m higher.

2 THE PANORAMIC TRAIN

On a track winding up a mountainside, the train takes you through forests and tunnels to the foot of Emosson Dam. The panoramic train offers magnificent views of the entire Mont-Blanc massif while overlooking the deep Bouqui canyon.

3 THE MINIFUNIC

The third of these amazing systems is a railtrack that takes you to the open Emosson heights overlooking the lake.

★ EXPLORE

A PROTECTED WILDERNESS AREA

The Eposson site has a rich natural environment. For those who know what to look for, the alpine fauna and flora are magnificent everywhere you turn.

A HIKER'S PARADISE

With a wild scenery and panoramic views, many marked trails, Vallée du Trient is the ideal starting point for all types of tours and hikes, for all tastes and all levels, such as the Tour du Ruan, the Cheval Blanc or Bel Oiseau climbs.

A unique destination, in the heart of Espace Mont-Blanc.

DINOSAUR TRACKS

The most famous target of excursion is without a doubt the dinosaur footprints left more than 250 million years ago by ancient reptiles on the Vieux Eposson site.

At the best of the summer, scientists go there to do research. They are always ready to offer explanations to hikers. Count a good 5 hours to walk from Eposson back and forth.

Book a guide to make sure you don't miss a thing around Eposson!
