## What's new

### Travel to history in comfort and style

As part of our commitment to improve your Gallipoli experience in any way we can, Crowded House Tours have recently expanded our vehicle fleet, taking delivery of a new wide body mid-size bus specially fitted out to our requirements.

Travel to and from Istanbul and the Gallipoli Peninsula will now be even more comfortable in our reconfigured bus, which has only 25 seats, rather than the 35 standard for this model, with just three seats in each row instead of four.

Not only do we offer more space for our guests but our VIP bus also has a larger luggage compartment than any comparable buses on the Gallipoli run, meaning there is more space for your baggage as well as your legs.

Allow us to take you back in history in comfort.
