THE WOODLANDS RESORT®

GOLF FOREST OASIS LAZY RIVER SPA NATURAL BEAUTY

The Woodlands Resort & Conference Center is a world-class destination for business and leisure travelers alike. Thanks to a \$75 million expansion and renovation, this magnificent facility is even more alluring than ever. You'll find inspiring conference facilities, fabulous accommodations, spectacular golf and sophisticated resort amenities – all nestled in the serene, natural splendor of The Woodlands.

Explore. Wind through the wonders of 200+ miles of hiking and biking trails, or take advantage of 21 tennis courts.

The Woodlands Resort & Conference Center enjoys an international reputation for excellence. Recently, we updated our 60,000 square feet of meeting and event space to provide a fresh, inviting experience. Our facility exceeds the standards of the International Association of Conference Centers, and our high-

tech meeting rooms — many with panoramic views of lakes or woods — are as comfortable as they are flexible. With the help of our conference managers, it's easy to plan and hold a productive meeting.

Our water attractions are among the finest of any resort in the nation. Splash into the amazing Forest Oasis Waterscape[™], now featuring a 1,005-foot lazy river. Drift along the forest, then take a refreshing plunge into the lazy lagoon pool. Our tropical paradise also offers stunning waterfalls, waterslides, and pools, plus Puffy's Sprayground[™] for kids. If you crave solitude, there's a separate pool with a hot tub and soothing waterfall. Refresh. Relax in The Spa after

a dip in the pool, or work up a sweat at the state-of-the art fitness center.

Experience some of the best golf in Texas on two championship courses. Panther Trail™ is our signature course and a great place to test your game. This course offers small undulating greens, gently rolling fairways, and tall Carolina pines lining every hole. Or select The Oaks Course, which allows golfers of any level to

test their skills. Whichever course you choose, it's sure to be a round to remember.

Retreat. Escape to the modern luxury of our 406 new guest rooms. Many have private patios overlooking the fairways, the stunning Forest Oasis Waterscape, or the forest canopy.

Experience. Hundreds of upscale shops and galleries are only minutes away at The Woodlands Town Center. Enjoy a performance under the stars at The Cynthia Woods Mitchell Pavilion.

Newly renovated and expanded.

Splash into the refreshing Forest Oasis Waterscape or float down the new lazy river. Experience championship golf on two spectacular courses. Relax and renew in the tranquil spa. Enjoy delicious cuisine, world-class shopping, and lively out-door activities. It's all waiting for you in the forest just north of Houston!
