## FISHING IN MAINE

### We provide fishing on...

- Wilderness lakes, ponds, rivers and streams
- Drift boat, Jet boat, kayak, float tube, stream-side as well as ice fishing with snowmobile and shelter

We offer group and one-on-one instruction in multiple fishing techniques and applications, as well as fly fishing instruction on our privately owned, stocked trout pond.

We will share with you, our most productive and beautiful fishing areas in the State of Maine. You will learn fly fishing, spin and bait casting for salmon, trout and small mouth bass.

Call today to plan your full day or overnight Maine adventure!

### What our customers are saying...

"...action-packed three days of spectacular fishing on two different river systems and two lakes...caught a total of well over 100 fish, and we had a great time doing it!...We had personalized lunches, state-of-the-art equipment, and an always-smiling guide...can you ask for more than that?"

-Patrick
