

Spanish Institute of Puebla

The best Spanish Program in Mexico

The Spanish Institute is a highly regarded Spanish Language School specialized in teaching the Spanish language and its culture through 8 levels (3 weeks each) of Intensive Immersion program in México. We Follow the European Framework of Reference for Language learning and the ACTFL guidelines. Students may attend from 1 level to all 8 levels.

Our students learn from the outset to think and express themselves in Spanish as they participate in our exceptional International Award Winning Academic Curriculum and wide variety of extra curriculum activities.

Our Spanish Language School has provided an intensive Spanish immersion program for over 30 years to students, professionals (from all fields) and seniors from more than 60 countries.

Our functional approach to language acquisition emphasizes in using Spanish in authentic and diverse circumstances. We have a “communicative” focus, concentrating on verbal interaction in Spanish. Our formal classes are dedicated to learning the structure of the language (comprehension, linguistics, reading and writing) and the conversation portion of the program to using the Spanish language – the key to really mastering it!)

By participating in our Spanish Immersion program you will not just learn the Spanish language... you will live the Spanish language.

About Puebla

It has the 3rd biggest Historic Center in the world. Has one of the best lowest crime rates in Mexico. Puebla has spring-like climate year round. The Spanish spoken in Puebla is "pure" compared with the of others states in Mexico and countries in the Caribbean, Central American and South America: it is easily understood; all vowels and consonants are clearly pronounced, and there are no exaggerated sing-song or harsh-sounding intonations.

The Institute

Is located in an Ex-Capuchin Convent from the 17 Century that has been converted into a modern building with a 17 century facade (the facade is an important part of the history of Puebla).

The Institute has the latest teaching equipment, sound protected wall for the best sound, ergonomic chairs, large desk, individual lockers, overhead projectors, fluorescent lighting, etc. It has 1 big patio, 2 large terraces with view to the volcanoes and 4 different church steeples, computer lab, video room, conference room, bathrooms, library, reception area, administration area, main office and 18 classrooms.

Cost

Our program is basically an all-inclusive program, you will not be surprised with textbook cost, e-mail cost, Internet access cost, host family cost, meals cost, tips, etc. The only thing not included with your program is your round-trip ticket from your home country to Puebla, Mexico.

All program Includes

- Registration and Books.
- 3 - 24 weeks of instruction (see Starting Dates).
- 30 hours a week of instruction (6 hours per day).
