WELCOME TO TROPICAL PEAKS

Tropical Peaks is owner operated. Our major focus is to create an 'up close and personal' experience for our guests. We are incredibly passionate about our wildlife and ancient rainforest.

What sets us apart from other day tours is the freedom to explore these unique habitats at a relaxing pace. Your guide has a lifetime of experience in the area and contagious enthusiasm.

Our tours are designed to help people re-connect with nature. We take small groups (7max), so our day tours have a more intimate setting for you to enjoy.
