# Paddle New Zealands Most Beautiful River!

Surrounded by ancient forest, listening to the native bird song, & the gentle lap of the crystal water as you drift through this hidden New Zealand paradise, Throw in a few rapids & Pelorus Eco Adventures delivers a fun & safe experience for all ages. Also featuring a Famous filming site used in the second "Hobbit" Movie.

# Long Barrel Run

Join our experienced, friendly guides on an eye-opening, fun adventure paddling down the scenic Pelorus River, Includes short native bush walk informing about native plants, including the silver fern & water cress tasting, talk about the pioneers whom founded the top of the south Island , historic relics still remain. Explore the famous filming locations used in the second "Hobbit" movie "The Desolation of Smaug".
