Available in red and white, each unique and delicious.

## and our Special Brandy Crèmes

Our famous fortified wine based hand made Irish creme style liqueurs. Impossible to resist!

*The Raleigh vineyard was replanted between 2001 and 2005 with two French hybrid fungal resistant varieties developed to suit our local sub-tropical climate.*

*The red is Chambourcin and the white Villard Blanc; both offer a truly unique tasting experience. Visit [raleighwines.com](http://raleighwines.com) for more detailed tasting notes and mail orders.*
